

TRIBUTE TO CHIEF FAUSEY AND ASSISTANT CHIEF GOODBROD

Mr. TOOMEY. Mr. President, I rise today to recognize and honor the heroic acts of two Pennsylvania volunteer firefighters, Chief Howard M. Fausey, Sr., and Assistant Chief Ethan Goodbrod of Citizen's Hose Company, Station 45, in Jersey Shore, PA.

On the evening of February 15, 2020, Chief Fausey and Assistant Chief Goodbrod responded to a multiple alarm fire reported at the Broadway Hotel and Restaurant in Jersey Shore, PA. The hotel is a historic building with multiple residential apartments in its upper levels. When Chief Fausey and Assistant Chief Goodbrod arrived on the scene, the building was already consumed in flames, and they soon learned that a man was trapped on the third floor. Without regard to their own personal safety, these volunteer firefighters climbed to the third floor on ladders, forced their way into the building by breaking a window and removing an air-conditioner, found the trapped man amidst heavy smoke, and safely removed him from the building. And they did not arrive a moment too soon. The man they rescued suffered severe burns and smoke inhalation while he was trapped inside. Thanks to Chief Fausey's and Assistant Chief Goodbrod's heroism, he lived to see another day and has recovered from his injuries.

Chief Fausey's and Assistant Chief Goodbrod's courageous acts call attention to the heroic service that first responders provide for their communities every day, often on a volunteer basis. In fact, Citizens Hose Company, Station 45, is made up entirely of volunteers. These individuals, many of whom hail from generations of voluntary service, place themselves in harm's way to protect the rest of us.

We should never take for granted the risks that first responders take to ensure that we are safe in our communities. I want to say to Chief Fausey, to Assistant Chief Goodbrod, and to all of Pennsylvania's first responders, that we are grateful for the service that you provide to the community and thankful for your sacrifices.

RECOGNIZING MAAG PRESCRIPTION & MEDICAL SUPPLY

• Mr. RISCH. Mr. President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. Today, I am pleased to honor Maag Prescription & Medical Supply in Pocatello as the Idaho Small Business of the Month for August 2020 and congratulate them on 70 years of business.

Maag Prescription & Medical Supply is an independent, locally owned pharmacy which has been operated by the Maag family since 1950. Established by Irvin and Genevieve Maag, the couple ran all aspects of the business and quickly developed a reputation for providing exemplary service while meeting the specific needs of their customers. As the business flourished and ownership transitioned to their son and daughter-in-law, Greg and Kathy Maag, a fire ravaged the facility in 1977. The Maags quickly sprang into action and rebuilt their business across the street with the strong support of the Pocatello community.

Forty-three years later, Maag Prescription & Medical Supply remains a staple in Southeast Idaho, providing more than 20 jobs to the community and expanding three times to meet the needs of their customers. Their ability to adapt quickly and meet customer demands has been especially important during the COVID-19 pandemic, with the business now offering curbside pickup, free home delivery of prescriptions and oxygen tanks, and in-house production of hand sanitizer for the community. Their emphasis on customer satisfaction has been central to their continued success.

Maag Prescription & Medical Supply's resiliency and service to the community has not gone unnoticed. For the past 2 years, the business received the Idaho State Journal's annual Reader's Choice award. Their business stands as a true testament to American industriousness, exemplifying one of our Nation's most treasured values. Now, in one of the most economically uncertain times, their story reminds us of the importance of

commitment to our communities and resilience in the face of adversity.

Congratulations to Greg and Kathy Maag and all of the employees of Maag Prescription & Medical Supply on being selected as the Idaho Small Business of the Month for August 2020. You make our great State proud, and I look forward to your continued growth and success.●

REMEMBERING BEN HILL GRIFFIN, III

• Mr. RUBIO. Mr. President, I pay tribute to the memory of Ben Hill Griffin, III, a lifelong resident of Polk County who left a lasting impact on Florida and the citrus industry.

Ben Hill Griffin, III, was born on March 3, 1942, in Frostproof, FL, to Ben Hill Griffin, Jr., and his wife, Frances. The only son of five children, Ben Hill worked his father's cattle ranches and citrus fields at a young age, learning early that success requires hard work and long hours.

While attending Frostproof High School, Ben Hill played several sports and attended Boys' State, where he was fittingly elected commissioner of agriculture. After graduation, he attended the University of Florida before returning home to Frostproof.

Ben Hill spent a year at the Lake Alfred Experiment Station, gaining experience with various aspects of the citrus industry before joining his father's business. He spent a year and a half working in the fertilizer division, 3 years in the harvesting division, and 2 years in the processing and sales divisions. After paying his dues, his father welcomed him into Ben Hill Griffin, Inc., naming him president and chief operating officer. He would later serve as its chairman of the board and chief executive officer.

Throughout his career, Ben Hill was recognized as a thoughtful leader and savvy businessman within the Florida agricultural and citrus industries and statewide business communities. He was elected to numerous corporate boards, served in leadership positions and they became better companies under his leadership.

During his time as chairman of the Florida Citrus Commission, Ben Hill flew to New York to defend the State from negative media coverage. He succeeded in his efforts to have processed products branded with the Florida symbol and was inducted into the Florida Citrus Hall of Fame in 2009, the Florida Agriculture Hall of Fame in 2010, and the Frostproof High School Hall of Fame in 2010. Even in the face of the challenges before the industry, he continued to invest in Florida citrus and believed in Florida agriculture and her producers.

Ben Hill was also a benefactor of higher education, including the University of Florida and Florida Gulf Coast University, of which he donated the land for the university's construction. He served as a board member for both

university's foundations. He was steadfast in ensuring scholarships were available at numerous Florida institutions to help students attending college to use the opportunity to fulfill their dreams.

My wife Jeanette and I express our heartfelt condolences to his children and grandchildren on the loss of an important leader and great Floridian. May God bless his family during this time of sorrow.●

TRIBUTE TO SHERYL AVERY

● Mr. RUBIO. Mr. President, today I honor Sheryl Avery, the Liberty County Teacher of the Year from Liberty County High School in Bristol, FL.

Sheryl believes that being a teacher means understanding her students will eventually become leaders of our society. Her lifelong goal is to seek opportunities to change the world, which she believes can be done from the classroom.

Sheryl believes that writing is an important skill. It is a skill that all students need to know, not just for school, but for when they join the workforce. She is a published author with three works in print and enjoys writing in her spare time.

Sheryl teaches English for ninth and tenth graders at Liberty County High School. She has worked as an educator for 21 years, with 19 years in the Liberty County School System. ● Mr. RUBIO. Mr. President, today I recognize Kerrianne Edwards, the Jackson County Teacher of the Year from Sneads Elementary School in Sneads, FL.

Kerrianne comes from a family of teachers. Her parents were teachers and played a pivotal role in encouraging her to make the profession her career. She considers Mrs. Faircloth an excellent role model and continues to teach her long after she was her student.

Kerrianne is a first grade teacher at Sneads Elementary School and has been a teacher for 28 years. She previously was a librarian, K-3 teacher, and a second grade teacher at Chat-

TRIBUTE TO TONIE GARCIA

● Mr. RUBIO. Mr. President, today I am pleased to recognize Tonie Garcia, the Glades County Teacher of the Year from West Glades School in LaBelle, FL.

Tonie knew she wanted to be a teacher from a young age, crediting God for placing a love for teaching in her heart. She brings a positive attitude and patience to her classroom each day, knowing that some of her students see her more than they see their parents.

Tonie considers it her job to love and cheer for her students, wipe away their tears, and open the doors of learning to them. She does not know what her students go through before coming to class each day, so she shows them kindness and instills in them a "never give up" attitude, no matter how challenging the day may be for them.

Tonie is a kindergarten teacher at West Glades School. She is a graduate of Palm Beach Atlantic University and credits its school of education and behavioral studies for preparing her to be a teacher. Leslie credits his seventh grade science teacher, Mr. Bowdler, with having a huge impact on him and hopes to have the same effect on his students' lives.

Leslie's biggest inspiration for teaching comes from his faith and his family. His father was an orange grove manager, and his mother drove a school bus. Both instilled in him a strong work ethic and desire to help others whenever possible. In his family, three are educators, and the fourth is in college with plans to pursue education.

Leslie teaches biology at Clewiston High School and previously taught in Collier County. He and his wife are members of Caloosa Baptist Church and work to help families throughout the area.

I am grateful for Leslie's commitment to his students and extend my best wishes. I look forward to learning of his continued good work in his future endeavors.●

TRIBUTE TO MIRANDA HARWOOD

● Mr. RUBIO. Mr. President, today I recognize Miranda Harwood, the Hillsborough County Teacher of the Year from Brooker Elementary School in Brandon, FL.

Miranda teaches fourth grade at Brooker Elementary School and considers this award the culmination of the educational career she began 14 years ago. Miranda wants her students to know that she cares about their education. Since she cannot know what burdens they are going through at home, she works to make sure school is a safe and caring place for them, whether they are in her classroom or with another teacher. She uses testing data to identify her students' strengths and weaknesses and builds her lesson plans to fit their individual needs.

Miranda uses humor and motivational activities to keep her students engaged throughout the school year. Her class votes on a Student of the Month and chooses rewards and consequences. She also hosts a Monday Math Club for her top students and afterschool sessions on Wednesdays and Thursdays for those below their grade level on State exams or on the bubble between passing and not passing.

I offer my sincere gratitude to Miranda for her good work and dedication to her students. I look forward to hearing of her continued success in the years to come.●

TRIBUTE TO VINCENT MILLER

● Mr. RUBIO. Mr. President, today I am pleased to recognize Vincent Miller, the Polk County Teacher of the Year from Winter Haven High School in Winter Haven, FL.

Vincent believes as teachers enter their classrooms, they should ask themselves a few simple questions: What will they add to their students' lives? What class memories will students remember? How will they, themselves, be remembered by students?

He says teachers should be intentional with their approach to meeting students' needs, knowing students are more than just a score or a test; they are the future. Vincent credits his successes today to his former teachers for creating countless memories when he was a student. Being cast by one teacher for a school play changed his life, allowing him to travel the world and perform on cruise ships before becoming a teacher at his alma mater.

Vincent is a math teacher and the girls' basketball coach at Winter Haven High School. He also mentors students, provides afterschool tutoring lessons, hosts a back-to-school supplies event, and sponsors the Key Club and the Culture Club. Vincent holds a doctorate
